

Automatic Draft Program

A Convenient Way to Pay Your Utility Bill

Plateau Electric Cooperative is pleased to offer a new convenient automatic draft program to our customers. This option is available to anyone who wishes to take advantage of the service. Your monthly payment is automatically paid by your bank account every month.

How the Program Works

Absolutely Free there is no cost to sign up for the program, and it will save you the cost of postage stamps and a trip to the post office.

Your Payment is Made on Time The Automatic draft program will provide you with the assurance your monthly payment is made on time. You don't have to wonder "Did I pay my bill this month?"

Easy Reconciliation We will continue to send you a bill as we always have. On your normal due date, your bank account is deducted for that amount. The draft will be shown on your monthly bank statement.

Simple Enrollment Simply sign the attached form and include a voided check of the account to be drafted.

How You Enroll

No More Remembering of You Paid

- ✓ Complete and sign the attached form.
- ✓ Enclose a Voided Check of the Bank Account to be drafted
- ✓ Mail the form and voided check to Plateau Electric Cooperative. We must receive these five (5) days prior to your next bill date to be drafted.
- ✓ Your next billing notice will reflect the automatic draft amount your bank will automatically pay.
- ✓ If you have a problem with your bill, simply notify us within a five (5) day grace period and have that month's draft suspended. You may then pay your bill the same way you always have.

Preauthorization Form

I (we) hereby authorize Plateau Electric Cooperative and First National Bank acting on behalf of Plateau Electric Cooperative to initiate debit entries to such account by funds transfer for payment of my monthly utility bill.

This authority is to remain in full effect until I notify Plateau Electric Cooperative that I wish to end this agreement.

I understand that Plateau Electric Cooperative will continue to send me a bill and that there will be a minimum of five (5) days after date of billing to notify Plateau Electric Cooperative of any errors on the bill.

I further understand that in the event my account has insufficient funds to cover the monthly payment drafted, or monthly draft rejects due to account closed status, bank ownership changes or account changes, a twenty-five dollar (\$25) fee will be assessed and debited from my account in addition to the monthly payment due. It is my duty to notify Plateau Electric Cooperative five (5) days prior to a scheduled debit of any changes made to my designated depository account, including but not limited to closed status, bank ownership changes and account changes.

I attest I am an authorized owner of the Depository Account listed below, and am exercising my powers as such.
